**HAL** is a multi-disciplinary open access archive for the deposit and dissemination of scientific research documents, whether they are published or not. The documents may come from teaching and research institutions in France or abroad, or from public or private research centers.

L'archive ouverte pluridisciplinaire **HAL**, est destinée au dépôt et à la diffusion de documents scientifiques de niveau recherche, publiés ou non, émanant des établissements d'enseignement et de recherche français ou étrangers, des laboratoires publics ou privés.

## Correction to: Foreword to special issue on Rogue Waves

E. Pelinovsky<sup>1</sup>  · K. Belibassakis<sup>2</sup> · J. Touboul<sup>3</sup>

**Correction to: J. Ocean Eng. Mar. Energy (2017) 3:297–299**

<https://doi.org/10.1007/s40722-017-0101-y>

The original version of this article unfortunately contained mistakes. Entries were incorrect in the reference list and also their citations in the last sentence on p. 297, right-hand column.

Instead of “Several books and review papers have been published in the literature (Olagnon and Athanassoulis 2001, 2005, 2009;” it should read “Several books and review papers have been published in the literature (Olagnon and Athanassoulis 2001, Olagnon and Prevosto 2005, 2009;”

The corrected reference entries are given below:

Olagnon M, Athanassoulis G A (2001) Rogue Waves 2000. Actes de Colloques, France, Editions Ifremer, 395 p

Olagnon M, Prevosto M (2005) Rogue Waves 2004. Actes de Colloques, France, Editions Ifremer, 277 p

Olagnon M, Prevosto M (2009) Rogue Waves 2008. Actes de Colloques, France, Editions Ifremer, 275 p

---

The original article can be found online at <https://doi.org/10.1007/s40722-017-0101-y>.
