In the original publication of this article [Niang M, Sandfort M, Mbodj A et al. Fine-scale Spatiotemporal Mapping of Asymptomatic and Clinical *Plasmodium falciparum* Infections: Epidemiological Evidence for Targeted Malaria Elimination Interventions. Clin Infect Dis. Volume 73 Issue 12; December 15 2021, 2175-2183. <https://doi.org/10.1093/cid/ciab161>], the funding statement was incorrect. It has been updated in the version currently available online to read as follows:

The study was funded by Institut Pasteur de Dakar, Institut de Recherche pour le Développement de Dakar, and by the European & Developing Countries Clinical Trials Partnership (EDCTP), which is part of the EDCTP2 programme supported by the European Union (fellowship number TMA2018SF-2468). The views and opinions of authors expressed herein do not necessarily state or reflect those of EDCTP and other funders.

The authors regret this error.

Correspondence: M. Niang, Institut Pasteur de Dakar, Pôle Immunophysiopathologie & Maladies Infectieuses, 36 avenue Pasteur, BP 220, Dakar, Sénégal (Makhtar.Niang@pasteur.sn).
